## MEMORANDUM OF AGREEMENT

Memorandum of Agreement Between the Southern Luzon State University (SLSU) and the Philippine Institute for Development Studies (PIDS) on the **Setting Up of a PIDS Corner at the SLSU Library**

---

KNOW ALL MEN BY THESE PRESENTS:

This Agreement made and entered into by and between:

The **Southern Luzon State University (SLSU)**, a state university of the Republic of the Philippines, with address at Lucban, Quezon, represented herein by its President, Dr. Cecilia N. Gascon, and hereinafter referred to as "SLSU"

and

The **Philippine Institute for Development Studies (PIDS)**, a government agency created and existing under the laws of the Republic of the Philippines, with office at the NEDA sa Makati Building, 106 Amorsolo Street, Legaspi Village, Makati City, represented herein by its President, Dr. Josef T. Yap, and hereinafter referred to as "PIDS".

### — WITNESSETH —

Whereas, the PIDS, as part of its dissemination and outreach programs, is setting up PIDS Corners in various local government sponsored-public libraries or knowledge centers or university/ college-based libraries, whether private or public, in selected areas in the Philippines outside of Metro Manila in order to broaden the visibility and accessibility of PIDS studies/materials;

Whereas, the PIDS has received and has been receiving a number of requests and queries from various institutions, especially libraries, regarding the possibility of furnishing them with copies of the PIDS studies and publications completed through the years;

Whereas, PIDS recognizes the fact that despite the advent of modern information and communication technology in the country, especially the web technology and the internet, it is still useful to combine such technology with the presence of hard copies of research materials in libraries where they may be easily accessed by students, faculty, researchers and the general public, particularly in cases where users may not have access to the internet;

Whereas, the SLSU is an academic institution for higher education whose history of excellence in its various specialized fields of knowledge and learning is well known and respected;

Whereas, notwithstanding the above, the SLSU continues to strive to expand its knowledge base to include fields/areas where it has not traditionally focused much on;

Whereas, the SLSU is now posed to strengthen its knowledge base on areas that focus on socioeconomic development and public administration issues, particularly those that have implications for policy and regional development;

Whereas, the PIDS, as a research institution engaged in policy research on socioeconomic development issues, has a relatively sizeable collection of studies/materials on such areas and has expressed its interest and willingness to share these resources with the SLSU as the latter pursues its continuing quest for knowledge source materials; and

Whereas, the SLSU Library is a very logical repository for such materials and has the proper staff complement to maintain the collection of the PIDS Corner.

NOW, THEREFORE, for and in consideration of the foregoing premises, the parties hereto agree as follows:

1. Purpose of the Agreement

The SLSU Library shall house and maintain a PIDS Corner within its premises for the purpose of making the collection contained therein available for free to as many students, faculty, researchers and general public as possible. The PIDS will provide the SLSU Library with all materials for said Corner for free.

2. Description of PIDS Corner

The PIDS Corner is hereby described as a collection of policy-oriented studies/ publications on various socioeconomic development issues and concerns. It consists of most of the research outputs produced by the PIDS through the years since 1979. As PIDS continues to come up with new outputs, so shall it continue to provide said outputs to the PIDS Corner for free.

Basically, the Corner contains books, research papers, discussion papers, journal issues of the *Philippine Journal of Development* (PJD), newsletter issues of the *Development Research News*, policy briefs, notes on basic economic concepts, information brochures, CDs of PIDS materials and the like.

**3. Obligations of PIDS**

The PIDS shall:

- a) Provide the SLSU Library, on a complimentary basis, with hard copies of its outputs as described above, to be set up in a PIDS Corner. It will continuously and regularly provide the SLSU Library with new materials as they are completed and released, also on a complimentary basis;
- b) Keep the SLSU Library and its users informed of the resources available online at the PIDS website which may complement the information and data provided in the collection of the PIDS Corner;

**4. Obligations of the SLSU**

The SLSU, in particular, its Library, shall:

- a) Provide the necessary shelf (shelves) where the PIDS materials may be stored and likewise provide a small corner in its premises where such shelf (shelves) will be housed and displayed;
- b) Process and catalog the materials, as provided, and be responsible for the upkeep/ maintenance of the materials;
- c) Take care of disseminating to and informing the public and its library users about the existence of the PIDS Corner and the availability, for free, of the materials/studies/ publications therein; and
- d) Provide the PIDS, on an annual basis, with a short report on the usage and access made of the materials in the Corner for both the PIDS and the SLSU to determine the usefulness/relevance of the collection.

**5. Effectivity**

This MEMORANDUM OF AGREEMENT shall take effect upon mutual agreement by the parties concerned on the setting up of the Corner and shall remain in force and effect until such time that either one or both of the parties concerned shall indicate, by writing, the desire, if ever, to have this joint undertaking abrogated.

IN WITNESS WHEREOF, the parties hereto have hereunto set their signatures on this \_\_\_\_\_ day of \_\_\_\_\_ 2009 at the Southern Luzon State University, Lucban, Quezon, Philippines.

Dear Dr. Gascon,

Please find enclosed the October issue of the *SGI Quarterly* magazine, which I am very pleased to share with you.

In this issue Lassina Zerbo, Executive Secretary of the Preparatory Commission for the Comprehensive Nuclear-Test-Ban Treaty Organization (CTBTO), explains why he feels the organization is close to concluding a process that started twenty years ago. Also featured is an interview with the inspirational Kennedy Odede, a resident of the Kibera slum in Nairobi, Kenya, who is working to combat poverty and gender inequality by linking free schools for girls to essential services for the community. And Joannet Delgado from Cuba offers a personal account of the establishment of the SGI in that country in the 1990s.

We trust you will find these and other offerings in this issue of interest. A further selection of articles is available on SGI's Common Threads blog at <http://commonthreads.sgi.org>.

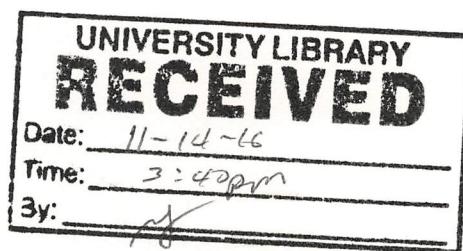

For any queries or requests regarding the magazine, Mr. Masahiro Takei of our office will be pleased to assist you, as well as to receive any feedback or suggestions you might like to share.

Thank you for your interest in our publication and our broader activities for peace, culture and education. My very best wishes for the great success of all your endeavors as we enter this last quarter and another significant year begins to draw to a close.

Yours sincerely,

**Dear Sir/Madam,**

The Southeast Asian Fisheries Development Center's Aquaculture Department (SEAFDEC/AQD) will be celebrating its 46<sup>th</sup> founding anniversary this July 2019. As part of our mandate to disseminate information on aquaculture, we are glad to inform you that **YOUR COLLEGE/UNIVERSITY** has been chosen as one of the recipients of the IAMSLIC Digital Fisheries Library which we are distributing to different state universities and colleges in the Philippines.

The Digital Fisheries Library currently hosts over 26,000 publications, reports, articles and documents on all aspects of fisheries that are freely available. This collection will be made available through the LibraryBox which will provide WiFi access to the digital library using compatible devices, without the need for an internet connection.

With this, we are inviting you and your librarian or representative(s) to receive the LibraryBox device during our Book Launching event on 11 July 2019 at the Multi-Purpose Hall located in SEAFDEC/AQD's Tigbauan Main Station. The Book Launching event will begin approximately 3 p.m. Various activities will also be held during this weeklong celebration, which includes the Farmer's Forum and Aquaculture Clinic, Dean Domiciano K. Villaluz Memorial Lecture, and the Anniversary Program (please see attached schedule). We would appreciate your confirmation so we can make the necessary preparations. To confirm your attendance, kindly contact the SEAFDEC/AQD Library at (033) 330-7088; 09194506688; [library@seafdec.org.ph](mailto:library@seafdec.org.ph) and look for Mr. Stephen Alayon.

We look forward to your presence and the benefits the digital library will bring to your institution.

Truly yours,

## LAQueP-LInc Conducted its First Webinar

Geraldine M. Eustaquio, RL

Manuel S. Enverga University Foundation

Discussion emphasized that the 3 dimensions of a librarians role in the time of pandemic are to (1) promote public health awareness by creating and disseminating information relating to preventive measures; (2) support research team, researchers and faculty by providing information regarding the latest developments, research and literature; and (3) meet the core needs of regular library users.

The speaker also imparted the ways and means to upkeep mental health which should start on having the attitude of gratefulness, savouring every moment, learning optimism, keeping the humour and laughter, being mindful in every situation or moment, taking regular exercise, connecting with the nature, consuming right food for a good nutrition, enjoying oneself on expressive therapies and staying positive.

The speaker also extended his thoughts on recognizing ones strengths, having healthy relationship, being kind and forgiving, taking care of pets and plants, finding meaning in life, and through achieving goals which are all very meaningful in nourishing mental health. The second part of the webinar was on the new normal practices of libraries in Quezon Province amidst the pandemic.

Covid-19 has affected the lives of people around the globe. Every nation has taken immense strategy to address the critical effects of the virus to human beings. The great impact of covid-19 on people's health as the virus infected a great number of individuals all over the globe. Yet, aside from the health problems caused by Covid-19, peoples' economic, social, emotional and mental aspects were also highly affected.

In this sense, the Librarians Association of Quezon Province, Inc. (LAQueP-Linc.), PLAI-Southern Tagalog Regional Council (PLAI-STRLC), and Philippine Librarians Association (PLAI), in partnership with CE-Logic, Inc., came up to provide a webinar on mental health entitled "Quezon Librarians: Embracing the New Normal, Raising Mental Health Awareness and Delivering Effective Library Services Amidst the Pandemic" last September 11, 2020 via Zoom. The webinar gathered all librarians and teachers all over the Philippines. There were more than 500 librarians and library personnel attended the webinar. The first session on mental health was discussed by the invited speaker, Mr. Gino A. Cabrera of Southern Luzon State University (SLSU). Mr. Cabrera discussed the definition of mental health and intensively focused on the role of librarians in raising mental health awareness among its stakeholders.

## From the President's Desk

**ISABEL NOREEN R. RAIKATA, RL**

Our Association marked its 14th Year Founding Anniversary last September 8, 2020. For the first time in our history, we celebrated virtually due to the ongoing COVID-19 pandemic. Nonetheless it did not hinder us to connect with our dear friends and colleagues throughout the province. Thanks to the Executive Officers and Conference Organizing Committee for conducting a free webinar themed "Quezon Librarians Embracing the New Normal: Raising Mental Health Awareness and Delivering Effective Library Services Amidst the Pandemic."

All of us never expected this pandemic would happen and lead to the closure of several libraries during lockdown period. Despite this, we faced these challenges and adapted our policies to be able to serve our clients virtually, with social distancing or with other health protocols set by the government.

from page 1

### LAQueP-Linc...

Libraries shared a glimpse of their new normal practices through videos and little discussions. Libraries revised their rules and regulations on lending their services to clients in accordance to Inter-Agency Task Force (IATF) on Covid19, new ways of disseminating information were implemented, and "getting in where the clients are" became the new way to offer the library's functions and services. Indeed, these new normal practices are useful for every library to sustain its purposes in education and the society even when a pandemic exists.

Mr. Gino Cabrera, the invited resource speaker for the webinar

Most of us are working in an alternate work arrangement or working from home and have to adjust to this new set-up causing stress and anxiety for both our staff and library users. I would also like to commend you all because we are also front liners, we face risks and challenges everyday while giving our best to extend our services to the users.

Let us look at this trying time as an opportunity to make our services more valuable and responsive to the community.

When people are in the midst of the "uncertainty" and the "unknown," as librarians, let us be the guiding light in the midst of the darkness.

Once again, Happy 14th Year Founding Anniversary. Thank you and may the Lord bless us all!

## Information Dissemination of RA 7743 in Quezon Province

*Ysobel C. Escudero, Quezon Provincial Library*

The partnership of Quezon Provincial Library and the Librarians Association of Quezon Province-Lucena Inc (LAQueP-LInc) adheres to the creation of public libraries in the province.

The following were conducted to convince the Local Government Units to organize their own public library: September 24, 2019 - conducted the information dissemination of RA 7743 to Vice Mayor's League of Quezon Province at Candelaria Municipal Hall, Candelaria, Quezon; October 25, 2019 - meeting with General Luna, Quezon Mayor Matt Erwin Florido, (the only municipality in the 3rd district without municipal library) and he immediately agreed to the proposal.; November 10, 2019 - conducted the information dissemination of RA 7743 to the Barangay Officials of Sariaya at Sariaya Municipal Hall, Sariaya, Quezon; and Feb.8, 2020 at the Sangguniang Bayan Officials of Dolores, Quezon. We're still persuading the LGU of Dolores since it is the only municipality in the 2nd district without municipal library.

Last February 28, 2020, during the celebration of the 91st Founding Anniversary of Quezon Provincial Library at Ouan's The Farm Resort, Lucena City, information dissemination of RA 7743 was conducted by Ms. Vida Dorea P. Mendoza, the OIC of the Public Libraries Affiliation Section of the National Library of the Philippines to convince Municipal and Barangay Officials to establish their own public Libraries. Majority of municipalities in Quezon Province are present during the celebration including municipalities of Burdeos, Patnanungan, Real, and Infanta that still needs library affiliation.

At present, only seven (7) municipalities in the province needs library affiliation. We are still waiting for the action of LGU Dolores on the proposal while the municipalities of General Luna and Sampaloc, Quezon still needs additional documents for affiliation. The LGUs are now focused on Covid-19 response and relief operations due to the pandemic but we will never get tired of convincing them until we reach 100% RA 7743 compliance.

The objective of this project is to encourage citizens to generate books and other instructional materials that will support in building libraries in public schools, municipal and community libraries in Quezon Province.

Interested participants/institutions can donate books, CDs/DVDs or any other library material/s (new or in good condition) as registration.

Participants will choose the second song on the following:

*Kiss Me Kiss Me by Sarah Geronimo*

<https://www.youtube.com/watch?v=wgmFqj8U2IQ>

Savage Love by Jason Derulo

<https://www.youtube.com/watch?v=waTINaL9Ea0>

(original song- Shake It Off - [https://www.youtube.com/watch?v=lpyxRu\\_ZZ28](https://www.youtube.com/watch?v=lpyxRu_ZZ28))

Steps for Zumba dance can be copied on the given YouTube links but can be modified as needed.

Pre-recording is requested to be in landscape format for easy editing.
