DR. FREDERICK T. VILLA
University President
Southern Luzon State University

Dear **Dr. Villa**:

Warm greetings!

The University of Rizal System will spearhead the conduct of its 20th Research and Development and Extension (RDE) Congress with the theme, “**20 Years of Advancing Knowledge, Inspiring Innovation, and Transforming Communities**” come August 20, 2026 via Zoom conferencing from 8:00 AM to 5:00 PM.

The said endeavor is a significant University-wide undertaking that provides a venue for showcasing and recognizing outstanding research and development outputs and extension initiatives of the University. In line with our commitment to uphold the quality, integrity, and credibility of the evaluation process, we are inviting experts from partner higher education institutions to serve as members of the panel of evaluators.

Relative thereto, please be requested to allow **Dr. Renato R. Maaliw III** to serve as one of our distinguished evaluators on the said event. His expertise and professional experience in research will surely inspire objective scholarly and valuable assessment of the research entries for the Developmental Research category.

The program of activities is herewith attached for your reference. Please note also of the sending of the Zoom link after the confirmation of Dr. Maaliw on or before August 14, 2026.

We would be most grateful for your favorable consideration of this request and for allowing Dr. Maaliw to participate in this significant academic undertaking of the University.

Thank you very much for your continued support, cooperation and favorable response. Truly with our hearts and hands to work together as one, we can serve a difference.

Respectfully yours,

MARITES M. RIO, Ph.D.

Vice President for Research and Development and Extension
University of Rizal System
